## EDUCATION

### Bachelor of Science in Information Technology

FEU Institute of Technology  
2020 - 2024

### Senior High School

Siena College of Taytay  
2014 - 2020

## EXPERTISE

- MERN stack
- Laravel
- Jest
- Git Version Control
- SQL
- Computer Network and Server Setup
- Computer Assembly, Setup and Maintenance
- Microsoft Apps

## PROFILE

Highly motivated Information Technology graduate with strong practical experience in web development. Completed internships at two companies, excelling in both backend and full stack development. Also available for tech support roles, including computer network and server setup, computer assembly, and maintenance, eager to contribute to innovative projects and deliver exceptional results.

## WORK EXPERIENCE

Research and Development Intern April 2024 - May 2024

### GlobalTek BPO Inc. | Makati City, Philippines

Developed a learning management system utilizing the MERN tech stack, which included implementing Stripe for seamless payment integration and Google Single Sign-On (SSO) for enhanced user authentication and experience. Additionally, conducted thorough unit testing for various components of a company project using the Vitest framework, ensuring the reliability and robustness of the software. This involved writing and executing a series of detailed tests to verify the functionality of the code, identifying and addressing any issues or bugs.

Web Developer Intern December 2023 - March 2024

### Highly Succeed Inc. | Mandaluyong City, Philippines

Successfully contributed to the development of REST APIs for the company's projects, optimizing CRUD functionalities using the Laravel framework. Assigned as an L1 technical support for a mobile app, handling user reviews, addressing user complaints, and identifying bugs in the app.

## CERTIFICATIONS

- Autodesk Maya: Certified User  
Certiport | 2023
- ITS Specialist: Databases  
Certiport | 2022
- CCNA: Switching, Routing, and Wireless Essentials  
Cisco Networking Academy | 2022
